BIG BEAR is a concentrated multi-purpose cleaner. With a balanced blend of solvents, surfactants, softeners and corrosion inhibitors, BIG BEAR removes dirt, grease, oil and other soils quickly and easily. It can be diluted up to 40 to 1 with water to form a cleaning solution for a multitude of jobs. It is effective with warm or cold and soft or hard water. It is superb for cleaning floors, walls and various types of commercial equipment.

DIRECTIONS FOR USE

Use impermeable gloves, safety glasses, protective clothing and proper ventilation.

Safe for use in USDA regulated food establishments. Before use, food products and packaging materials must be removed from the room or carefully protected. After use, all surfaces must be thoroughly rinsed with potable water. Spot test on an inconspicuous area before use. Proceed if completely satisfied. Do not use on marble, wood or other sensitive surfaces.

Kitchens: Remove food products and packaging materials from the room or carefully protect them. Dilute 1:5 to 1:10 or as appropriate. Spray or apply as desired and clean. Once clean, rinse surfaces thoroughly with potable water. Remove all residues from food contact surfaces.

Sinks, Bath Tubs and Restrooms: Dilute 1:5 to 1:10 with warm water. Spray or brush area to be cleaned. Allow a few moments for product to penetrate, then rinse with clean water and wipe dry.

Walls & Floors: Dilute 1:20 with water for light soil and 1:5 for heavy soil. Spray liberally over surfaces to be cleaned. Allow a few moments to penetrate. Use brush if needed. Remove completely and dry. Do not use on waxed floors. Use Arcot Easy Mop instead.

Whitewall Tires: Dilute 1:10 with water, spray on, brush and rinse with clean water.

Engines: Dilute 1:8 with hot water, spray on engine and rinse with high pressure water.

Carpets: Dilute 1:25 with water for carpet and fabric cleaning. Do not overuse or use as carpet extraction.
