UN1760, Corrosive liquids, n.o.s.
(contains Potassium hydroxide solution), 8, PGII.

DANGER! CORROSIVE

Hazard Statements: Harmful if swallowed.
Causes severe skin burns and severe and serious eye damage.
May be corrosive to metals.
Harmful to aquatic life in concentrated form.

PRECAUTIONARY STATEMENTS
Prevention: Keep only in original container.
Do not breathe fumes, mist, vapors or spray. Wash skin thoroughly after handling. Do not eat, drink or smoke when using this product. Use only outdoors or in a well-ventilated area. Avoid release to the environment. Wear protective gloves, protective clothing and eye protection or face protection.

Response/First Aid:

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.
IF SWALLOWED: Rinse mouth. Do NOT induce vomiting. Call a doctor if you feel unwell.
IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse skin with water. Wash contaminated clothing before reuse.
IF INHALED: Remove person to fresh air and keep at rest in a position comfortable for breathing.
Immediately call a doctor.
Specific treatment (see supplemental first aid instructions on the label and in section 4).
Absorb spillage to prevent material damage.

Storage: Store locked up. Store in a corrosive resistant container with a resistant inner liner. Store away from incompatible materials.

Disposal: Dispose of contents and container to an approved waste disposal plant in accordance with applicable local, state, federal and international regulations.

Easy Strip is a floor wax & finish stripping compound which penetrates and strips the buildups caused by repeated recoating and spraybuffing procedures.
Application: Read Safety Data Sheet carefully before handling. Dilute 1:1 to 1:10 with warm water and apply to small test area to determine correct dilution and contact time. Mop onto floor. Leave on the floor for 2-5 minutes. Do not allow floor to dry. Using a stripping pad (black), machine scrub thoroughly. Pick up solution with wet/dry vacuum or damp mop. If possible, rinse thoroughly with water. Remove completely. Repeat procedure as necessary. Allow floor to dry completely or buff the floor dry. Avoid contact with painted surfaces or wood floors. Use caution when stripping rubber, asphalt, or linoleum tile, since bleaching, bleeding and softening may occur.

Easy Strip es una solucion despojadora de cera de suelo que penetra y despoja todo que queda despues de limpiadas previas.
Aplicacion: Lea cuidadosamente La Hoja De Datos Para La Seguridad Del Material antes del manejar. Diluye solucion 1:1 to 1:10 con agua tibia y aplique a area pequena de prueba para determinar correcto diluye y tiempo de contacto. Trapear sobre el piso. Deja por 2-5 minutos. No deja secar en el piso. Con una almohadilla de despojar (negro), restrega bien con maquina. Recoja solucion con aspiradora de agua o con un trapeador humedo. Si es posible, enjuage completamente con agua. Remueva completamente. Repete el proceso como sea necesareo. Permite que el suelo se seque completamente o use una maquina de pulir. Evite contacto con superficies pintadas o suelos de madera. Tenga cuidado cuando este despojando goma, asfalto, o tija de linoleo, que blanquer, sangrar, y ablandar puede ocurrir.
