This product is a pH-controlled blend of low-foaming cleaners. It is specially formulated not to dull the gloss of most floor finishes yet it is effective in removing soils from virtually all washable surfaces not harmed by water alone.

Este producto es una mezcla de espuma baja, controlada por el pH. Es formulada especialmente para que no se pierda el brillo del suelo, pero todavia es efectiva en quitar manchas de todas superficies que el agua no daña.

DIRECTIONS / DIRECCIONES
