This product is an effective multipurpose hard surface cleaner that removes oil, grease, dirt, syrups, fats and various types of soils. It penetrates layers of encrusted food deposits and heavy accumulations of grease. It is an excellent industrial and commercial cleaner of equipment, engines, tools and parts, food processing plants, kitchens and restroom facilities. It may also be used as a spot remover and deodorizer.

APPLICATION: Product is safe for use in USDA regulated establishments. Before using this product, food products and packaging materials must be removed from the room or carefully protected. After using this product, all surfaces must be thoroughly rinsed with potable water. Test this product first on an inconspicuous spot. Continue use if satisfied.

Product may be used by spraying, brushing, wiping, mopping or pressure washing. Dilutions will vary from 1:1 to 1:128 depending on the application method and the severity of soil. For drains, use straight in quantities needed. Excellent for preventive maintenance and odor control of drains. Do not mix with other chemicals. Store at room temperature away from food, heat and direct sunlight. Keep from freezing. Keep container tightly closed and in a well-ventilated place.

Este producto es un limpiador eficaz multiuso de superficies duras que elimina aceite, grasa, suciedad, jarabes, las grasas y los distintos tipos de manchas. Penetra capas de restos de comida incrustados y grandes acumulaciones de grasa. Es un excelente limpiador industrial y comercial de equipos, motores, herramientas y piezas, plantas procesadoras de alimentos, cocinas y baños. También puede ser utilizado como un quitamanchas y desodorizante.

APLICACIÓN: El producto es seguro para su uso en establecimientos regulados por la USDA. Antes de utilizar este producto, los productos alimenticios y materiales de embalaje deben ser retirados de la sala o cuidadosamente protegidos. Después de usar este producto, todas las superficies deben enjuagarse a fondo con agua potable. Pruebe este producto por primera vez en un lugar poco visible. Continuar el uso si está satisfecho. El producto puede ser utilizado por pulverización, cepillado, limpiar, fregar o lavado a presión. Las diluciones varían desde 1:1 a 1:128, dependiendo del método de aplicación y la gravedad de mancha.

Para desagües, utilizar sin diluir en las cantidades necesarias. Excelente para el mantenimiento preventivo y el control del olor de los desagües.

No mezclar con otros productos químicos. Guarde a temperatura ambiente lejos de la comida, el calor y la luz solar directa. Evitar la congelación. Manténgase el envase bien cerrado y en lugar bien ventilado.
