

DANGER

Hazard statements: Highly flammable liquid and vapor. Toxic if swallowed. Toxic in contact with skin. Toxic if inhaled. Causes serious eye irritation. May cause drowsiness or dizziness. Causes damage to organs (Eyes, Central Nervous System).

FC-20 Freezer Cleaner is the quick and reliable solution to freezer icing problems. Highly concentrated, this special formula combats ice by softening it to a slush. Ice, snow and frozen soils and food spills can be removed easily. No more scraping and hard physical labor to remove ice and frozen spills.

APPLICATION: Read SDS thoroughly before use. Always test a small area first. Continue use only if fully satisfied with the performance. Use straight. Do not dilute with water or mix with other chemicals. Pour onto ice, snow or frost. Once ice is softened, remove immediately and as completely as possible.

This product is not formulated for all applications. Do not use as a windshield fluid or anti-freeze.

UN1993, Flammable liquids, n.o.s. (contains Isopropanol, Ethanol Solutions and Methanol), 3, PGII.
Do not ship via air. Use ground transportation only.

PRECAUTIONARY STATEMENTS

Prevention: Keep away from heat, hot surfaces, sparks, open flames and other ignition sources. No smoking. Keep container tightly closed. Ground container and receiving equipment. Use explosion-proof electrical, ventilating and lighting equipment. Use only non-sparking tools. Take precautionary measures against static discharge. Avoid breathing fumes, gas, mist, vapors or spray. Wash skin, face and mouth thoroughly after handling. Do not eat, drink or smoke when using this product. Use only outdoors or in a well-ventilated area. Wear protective gloves, protective clothing and eye protection or face protection.

Response/First Aid:

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical attention.

IF SWALLOWED: Immediately call a POISON CENTER or doctor. Rinse mouth.

IF ON SKIN (or hair): Wash skin with plenty of water. Take off immediately all contaminated clothing and wash it before reuse.

IF INHALED: Remove person to fresh air and keep comfortable for breathing. Call a POISON CENTER or doctor if you feel unwell.

IF exposed or concerned: Call a POISON CENTER or doctor.

In case of fire: Use dry sand, dry chemical or alcohol-resistant foam to extinguish.

Storage: Keep container tightly closed. Keep cool. Store in a well-ventilated place. Store locked up. Keep away from direct sunlight.

Disposal: Dispose of contents and container to an approved waste disposal plant in accordance with applicable local, state, federal and international regulations.
