SUPER BUBBLE GUM is a concentrated product which is effective in fighting offensive odors in portable toilets. It performs a multitude of tasks simultaneously: it deodorizes the area, cleans the bowl and inhibits bacterial growth. This product is used in toilets bowls of portable toilets, recreational vehicles, buses, trains, planes, boats and oil rigs.

APPLICATION: Read Safety Data Sheet Carefully Before Handling. Dilute with water at different ratios depending on the severity of the odor. Under normal conditions, use 1 oz. per gallon of bowl water; a five gallon bowl will require 5 oz. Use more as appropriate during warmer months or in toilets with higher traffic.

NOTE: Do not use on contact surfaces or other objects where slipperiness may be hazardous. To avoid stains, avoid contact with fabrics and all surfaces. Use only in the inside of bowls.

Do not mix with other chemicals.

Store in the shade in a well ventilated area away from direct heat.

Net 55 Gallons
