*Limpiador Neutral Que No Se Necesita Enjuagar*  
*\*Concentrated/Concentrado \*Biodegradable*  
*\*Phosphate Free / Libre de Fosfato*

This product is a pH-controlled blend of low-foaming cleaners. It is specially formulated not to dull the gloss of most floor finishes yet it is effective in removing soils from virtually all washable surfaces not harmed by water alone.

Este producto es una mezcla de espuma baja, controlada por el pH. Es formulada especialmente para que no se pierda el brillo del suelo, pero todavía es efectiva en quitar tierra y manchas de todas superficies que el agua no daña.

### **DIRECTIONS / DIRECCIONES**

Dilute as needed / Diluir como se necesite:  
Light soil / Mancha Ligera 1-2 oz./Gal.  
Medium soil / Mancha Mediana 6 oz./Gal.  
Heavy soil / Mancha Fuerte 10 oz./Gal.  
(or more, as needed / o mas, si necesita)  
Soft Scrubbing / Tallar Suave 3 oz./3 Gal.

Apply with cloth, sponge, mop, trigger sprayer, brush, scrubber or pressure washer. Apply to surfaces to be cleaned. Wipe away soils and excess cleaner. When cleaning floors, use cool water to avoid damaging the floor finish. Overuse or improper use may cause streaking and will create slippery contact surfaces and will require rinsing or additional wiping.

Aplique con un paño, esponja, trapeador, rociador, cepillo, o lavador de presión de agua. Aplique a superficies para que empiece a limpiar. Quite tierra y limpiador excesiva. Cuando limpie el suelo, use agua fría para evitar daño al brillo del piso. El uso excesivo o el uso inadecuado pueden causar rayas y crearán superficies de contacto deslizantes y requerirán enjuague o limpieza adicional.
