IF INHALED: Remove person to fresh air and keep comfortable for breathing. Call a doctor if you feel unwell.
If any irritation persists, get immediate medical attention.
In case of fire: Use water spray, alcohol-resistant foam, carbon dioxide or dry chemical to extinguish.

Storage: Store in a well-ventilated place. Store in a closed container. Protect from sunlight. Store at temperatures not exceeding 90°F.

Disposal: Dispose of contents and container to an approved waste disposal plant in accordance with applicable local, state, federal and international regulations.

MAX-CONTROL SOFT & SOUR

Fabric Softener & Laundry Sour #6827

For Commercial & Industrial Use Only
Keep Out Of Reach Of Children

Solamente Para El Uso Comercial E Industrial
Mantengalo Fuera Del Alcance De Los Niños

Not Regulated By DOT

This product is a fabric softener and laundry sour that brightens and whitens fabrics, reduces rust and yellow chemical stains not removed by detergents, helps in the rinsing process, reduces drying time and static, and facilitates ironing and folding. It restores the fabric life that detergents, breaks and bleaches take out, giving fabrics that fresh soft feel and smell.

Application: Read Safety Data Sheet Carefully Before Handling. Wear impermeable gloves. Wear safety glasses if splashing or eye contact is possible. Always follow washing instructions on the machine and the clothing. The recommended starting amount is 1 oz. (30cc) per 10 Lb. load of clothes or 1/2 oz. (15cc) per gallon of rinse water. Adjust use level as needed. Always pour into rinse water. Spotting may occur if product is poured directly onto dry or damp fabric. To obtain best results, consult your Arcot representative.

Do not use this product on silk, wool, nylon or other sensitive fabrics.

Do not mix with other chemicals. Do not add this product to any dispensing device containing remnants of any other product.
