

DANGER

Hazard statements: Highly flammable liquid and vapor. Causes serious eye irritation. May cause drowsiness or dizziness.

Precautionary statements

Prevention: Keep away from heat, hot surfaces, sparks, open flames and other ignition sources. No smoking. Keep container tightly closed. Ground container and receiving equipment. Use explosion-proof electrical, ventilating and lighting equipment. Use only non-sparking tools. Take precautionary measures against static discharge. Avoid breathing mist, vapors and spray. Wash skin thoroughly after handling. Do not eat, drink or smoke when using this product. Use only outdoors or in a well-ventilated area. Contaminated work clothing should not be allowed out of the workplace. Avoid release into the environment. Wear protective gloves, eye protection and face protection.

Response/First Aid:

IF SWALLOWED: Immediately call a doctor. Do NOT induce vomiting.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do. Continue rinsing.

IF ON SKIN: Wash with plenty of water and soap. Take off contaminated clothing and wash it before reuse.

IF INHALED: Remove person to fresh air and keep comfortable for breathing. Call a doctor if you feel unwell.

If any irritation persists, get immediate medical attention.

In case of fire: Use alcohol-resistant foam, carbon dioxide or dry chemical to extinguish.

Storage: Store in a well-ventilated place. Store locked up. Protect from sunlight. Keep cool.

Disposal: Dispose of contents and container to an approved waste disposal plant in accordance with applicable local, state, federal and international regulations.

Additional Precautionary Measures:

Do not use welding or cutting torch on or near this container (even when empty). After this container has been emptied, it may contain explosive and harmful vapors and residue. Do not reuse container for any purpose until commercially reconditioned. Do not transfer to unmarked container. Loosen closure carefully. Do not use pressure to empty. Empty containers may contain hazardous product residues. Keep workplace airborne concentrations below legal and recommended limits. Circumstances could require use of respiratory protection. Refer to applicable OSHA regulations. Vapors form explosive mixtures with air. Store in flammable label area. Avoid contact with eyes. Avoid prolonged and repeated contact with skin. Do not taste or swallow.

Spill procedure:

Contain and absorb spill with inert material (e.g. sand, vermiculite), then place in suitable container. Do not flush to sewer or allow to enter waterways. Use appropriate personal protective equipment.

NFPA & HMIS Ratings:

Health = 2 Flammability = 3 Instability = 0

UN1219, Isopropyl alcohol, 3, PGII.

FLAMMABLE LIQUID. Do not ship via air.
