Not Regulated By DOT

This product is a fabric softener and laundry sour that brightens and whitens fabrics, reduces rust and yellow chemical stains not removed by detergents, helps in the rinsing process, reduces drying time and static, and facilitates ironing and folding. It restores the fabric life that detergents, breaks and bleaches take out, giving fabrics that fresh soft feel and smell.

**Application:** Read Safety Data Sheet Carefully Before Handling. Wear impermeable gloves. Wear safety glasses if splashing or eye contact is possible. Always follow washing instructions on the machine and the clothing. The recommended starting amount is 1 oz. (30cc) per 10Lb. load of clothes or 1/2 oz. (15cc) per gallon of rinse water. Adjust use level as needed. Always pour into rinse water. Spotting may occur if product is poured directly onto dry or damp fabric.

Do not use this product on silk, wool, nylon or other sensitive fabrics.

Keep away from other chemicals. Mix only with water. Do not add this product to any dispensing device containing remnants of any other product.
