* Non-flammable / No-inflammable

Rig Power is a concentrated heavy-duty liquid cleaner. It is composed of wetting agents, emulsifiers, solvents and selected cleaners. It is especially formulated for removal of oil-based muds and all types of greases associated with drilling equipment, platforms and bilge-cleaning operations. Rig Power is safe on rubber, vinyl, plastics, ferrous and nonferrous metals. The ability to buffer hard water also makes Rig Power an excellent product for steam cleaning or hot-water washing and an effective fleet cleaner.

APPLICATION: Rig Power may be used by spraying, brushing or wiping. Dilute 1 part Rig Power to 1-20 parts water depending on the severity of soils to be removed. Rig Power is also effective when used in pressure washing equipment.

Rig Power es un limpiador liquido concentrado y fuerte. Está compuesto por agentes humectantes, emulsificantes, solventes y limpiadores seleccionados. Rig Power es especialmente formulado para quitar lodos a base de aceite y otros tipos de grasas asociados con equipos de perforacion, plataformas y operaciones de la sentina. Rig Power es seguro para usar en hule, vinilo, plásticos y en metales ferrosos y no ferrosos. La habilidad de equilibrar agua mineralizada hace Rig Power un excelente producto para limpiar en vapor o lavar en agua caliente y es un limpiador efectivo de flotas.

APLICACION: Rig Power puede ser usado rociando, cepillando o limpiar frotando. Diluya 1 porcion de Rig Power a 1-20 porciones de agua dependiendo de la severidad de las manchas que se quieren quitar. Rig Power es tambien efectivo cuando se utiliza en equipos de lavado a presion.
