# RIG CLEAN

**RIG WASHING COMPOUND #9561**

**\*Biodegradable \*Multipurpose / Multiusos**

**For Commercial & Industrial Use Only**  
**Keep Away From Children**

Solamente Para El Uso Comercial E Industrial  
Mantengalo Lejos Del Alcance De Los Niños

Think of Rig Clean as an all-around cleaner and degreaser for oil rigs, the petrochemical industry, manufacturing environment, transportation rigs and commercial applications. A biodegradable, non-caustic, heavy-duty cleaning compound, this product removes soil, grease and oil from equipment and fixtures, helping to keep parts, decks and other surfaces clean and to prevent serious accidents. Rig Clean is also an excellent laundry detergent for washing the heavily soiled uniforms of the rig and deck hands. It works effectively in hot or cold, hard or soft, fresh or salt water. It may be applied by hand or with cleaning equipment.

Do not use on marble, wood, wool, silk, painted or other sensitive surfaces, or any surface harmed by water alone.

**Application:** Spot test on an inconspicuous area before use. Proceed if completely satisfied with results and product does not harm the surface. For general cleaning, add 1/2 cup to each gallon of water. Apply to surface, work in with brush or pressure washer and rinse with water.

### **USE DILUTIONS (cups per gallon of water)**

Drilling Rigs & Oilfield Machinery: 1/2 - 1  
Walkways and Floors: 1/4 - 1/2  
Pressure Washing: 1/4 - 1/2  
Trucks & Transport Rigs: 1/2  
Steam Cleaning: 1/4  
Uniforms: 1/2  
Laundry: 1/4
