**Biodegradable*

Read Safety Data Sheet carefully before handling.
Lea cuidadosamente La Hoja De Datos
De Seguridad antes de manejar.

Years of technical laboratory research and
experience in combination with professional
hands-on field testing has produced this product. It
is uniquely formulated to attack ring marks around
the cuff and collar as well as soil and grease marks
elsewhere on fabrics, thus cleaning and brightening
fabrics effectively. It is safe on both cotton and
blended fabrics in all temperatures with or without
additional detergents.

Application

For ordinary laundry stains, simply add 1 oz. per
10Lb. of laundry (i.e. 5 oz. for a 50Lb. load) directly
to the wash load. For more difficult stains, spray
onto the stain and rub gently. Then wash the fabric
with quality detergents.

This product can also be used as a stand-alone
detergent or a detergent booster. For regular 50Lb.
machines, use 3-5 oz. per wash load. For larger
commercial machines, use ¾ to 1 cup or as
required. Pour small amounts on spots and stains.
Rub and wash.
