This non-fuming product will rejuvenate ceramic and porcelain tiles. It is also effective on fiberglass, glass, porcelain tubs and other porcelain surfaces. This non-abrasive formula will not scratch or harm these surfaces. Spot test on an inconspicuous area before use.

Application: Use impermeable gloves, safety glasses and proper ventilation. For renovation, use as is or mix 1:1 with water. For mild cleaning or maintenance programs, use 10oz. per gallon. Spray or pour 6-8 inches from surface or apply with mop. Agitate as needed by wiping or scrubbing. Allow 1-5 minutes reaction time. Wipe or scrub, then remove chemical. Repeat procedure if needed. Neutralize and remove thoroughly by rinsing or wiping.

**Do not use on marble or any natural stone, concrete and sensitive surfaces.**

Do not mix with other chemicals.

Neither Arcot nor the distributor is liable for any damage as a result of misuse or mishandling.
