This product may be used to clean pots & pans, hood filters, floors, walls, equipment, parts, concrete and commercial laundry. It is a high pH powder that contains emulsifiers, wetting agents and degreasers. It is formulated to be tough on grease and grime. This product can be used in schools, nursing homes, municipalities, hotels, restaurants and commercial and industrial arenas.

APPLICATION: Read Safety Data Sheet carefully before use. Use impervious gloves and safety glasses. Before use, food products and packaging materials must be removed from the room or carefully protected. After use, all food contact surfaces (including dishware and food-cutting and processing surfaces) must be thoroughly rinsed with potable water. Test this product on an inconspicuous spot. Continue use if satisfied. Use 1/8 cup or as needed per gallon of warm water, depending on the severity of soil and grease to be cleaned. Dissolve well in water, apply as fit and rinse thoroughly.

Net 50 Lb.
