- dry chemical, foam or carbon dioxide to extinguish.

Gallons

W

55 Gallons (208 Liters) (unless checked otherwise)

12.5% Sodium Hypochlorite

Read Safety Data Sheet carefully before handling.

For Commercial & Industrial Use Only Keep Out Of Reach Of Children

Solamente Para El Uso Comercial E Industrial Mantengalo Fuera Del Alcance De Los Niños

Do not mix or allow to mix with any other chemical. Mixing with acids might form poisonous gases.

APPLICATION: Dispense as needed. Do not overuse. Degrades with age, heat and exposure to sunlight. Use test kit and increase dosage as necessary to obtain required level of available chlorine. Strong Bleaching Agent. Do not get on fabrics, clothing, carpeting or other surfaces susceptible to discoloration. Even if used on white fabric, add material onto water. Do not apply the concentrated product directly to fabric as this may permanently discolor and damage that area. Do not add this product to any dispensing device containing remnants of any other product. Contamination may start a chemical reaction and generate heat, chlorine gas and possible fire and explosion. In case of contamination or decomposition, do not reseal container.

<u>Storage</u>: Store away from incompatible materials. Keep container tightly closed. Degrades with age, heat and exposure to sunlight. Keep only in a cool, dry, well-ventilated place away from direct sunlight, heat and other chemicals to avoid deterioration. Do not contaminate food or feed by storage, disposal, or cleaning of equipment.

<u>Disposal</u>: Dispose of contents and container to an approved waste disposal plant in accordance with applicable local, state, federal and international regulations.
